The DCGA would like to thank all our members for making the 2022 season a success! Without you, we would not be able to operate the facility we have. The entire staff of Medicine Hole Golf Course is excited for the season ahead! Much of the membership information has remained the same as the previous years, with a change to the taxes due to annexation into city limits.

- 1. Juniors 11 years old and younger are added free to couples membership.
- 2. Junior memberships will have unlimited access to the range.
- 3. All members who make the request will have an official GHIN handicap free of charge.
- 4. Family, Couple, and Single Memberships include a 10% discount on Clubhouse merchandise.
- 5. Outside alcohol will not be permitted on the golf course.

Our golf shop will carry a hand-picked selection of apparel from Asics, Nike, Black Clover, and others, as well as an equipment selection from Callaway, Cleveland, and TaylorMade. This season we will be adding a selection of Blue Tees range finders and speakers! There will also be special order options for items of apparel and equipment upon request to the manager.

For the 2023 season we will continue the discount for early birds. You are eligible for a 10% discount off your golf membership if it is paid in full by March 17th. Any memberships paid after the early bird cutoff will be full price, no exceptions. This includes the "Golf" portion of your membership, range, cart storage & trail fee is not included in the early bird discount. In addition, after May 1st we will be annexed into the city and membership fees will be taxed at the 7% rate.

If you would like to be a member of the Dunn County Golf Association for the 2023 season, please fill out the enclosed worksheet for your membership file and return it to the clubhouse by mailing it to the address above. Once again, we want to thank all our members for helping make our golf course what it is now, and we look forward to seeing you out for the 2023 season!

Thank you!

Dunn County Golf Association
